ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Regular Share, Personal Select, Health Savings Plan, Money Market, and Individual Retirement accounts, the dividend rate and annual percentage yield may change quarterly as determined by the Credit Union's Board of Directors. For Christmas Club, Vacation Club, Dividend Checking, and Silver Advantage Checking accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual

percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. For Money Market Plus and Simple+ Checking accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's board of Directors. Health Savings Plan, Money Market, Money Market Plus, Individual Retirement, Dividend Checking, and Silver Advantage Checking, Simple+ Checking accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Health Savings Plan, Money Market, Money Market Plus, Individual Retirement, Dividend Checking, and Silver Advantage Checking accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your

account. Simple+ Checking accounts are tiered rate accounts. Please refer to section 2 for additional details about Simple+ Checking accounts.

2. SIMPLE+ CHECKING — The Simple+ Checking account is a tiered rate account. If you meet the minimum qualification requirements during the monthly qualification cycle, the first dividend rate and annual percentage yield listed in the Rate Schedule will apply if your balance is between \$100.00 and \$10,000.00. The second dividend rate and annual percentage yield listed for this account will apply if your balance is \$10,000.01 or greater. Each dividend rate will apply only to that portion of the account balance within each balance range. In addition, we will refund up to \$15.00 in ATM fees assessed at nationwide ATMs we do not own or operate. To meet the minimum qualification requirements, you must: 1) make 15 debit card purchases that post and settle your account; 2) be

enrolled to receive e-statements; 3) have one direct deposit of \$100.00 or more settle your account. The monthly qualification cycle is defined as the period beginning with the last day of a given month through the next to last day of the following month. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, the third dividend rate and annual percentage yield as listed in the Rate Schedule will apply to the entire balance in your Simple+ Checking account and ATM fees will not be refunded to you.

3. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Regular Share, Christmas Club, Vacation Club, Personal Select, Money Market, Individual Retirement, Dividend Checking, and Silver Advantage Checking accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Christmas Club and Vacation Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

5. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, there is a minimum aggregate balance of \$100.00 (deposit and loan accounts) required to avoid a service fee for the dividend period. If the minimum aggregate daily balance requirement is not met during each day of the dividend period, you will be charged a service fee as stated in the Fee Schedule. For Regular Share, Christmas Club, Personal Select, Health Savings Plan, Money Market, Money Market Plus, Individual Retirement, Dividend Checking, and Silver Advantage Checking accounts,

there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

6. ACCOUNT LIMITATIONS — For Christmas Club accounts, the entire balance will be transferred to another account of yours on or after October 1 and the account will remain open. If you withdraw from your Christmas Club account, you will be charged a fee as disclosed in the Fee Schedule. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Vacation Club accounts, the entire balance will be transferred to another account of yours on or after April 1 and the account will remain open. If you withdraw from your Vacation Club account, you will be charged a fee as disclosed in the Fee Schedule. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Money Market Plus accounts, the account must be opened with new money. For Regular Share, Personal Select, Health Savings Plan, Money Market, Individual Retirement, Basic Checking, Dividend Checking, Silver Advantage Checking and Simple+ Checking accounts, no account limitations apply.
