|  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |

## Savings Challenge

## I will save \$

Divide your savings goal by 20 to determine the value of each square. Each time you save up this value, color one square tile to help AI Pacu take off.

## Savings Challenge

## Savings <br> My Giving <br> Goal: \$ <br> By: <br> Date

Help your child divide their savings goal by the number of "pay periods" they have between now and their desired date to reach their savings goal. Instruct your child to draw that many number of coins in the jar below. Each time they save up the value of a coin, color one coin to help AI Pacu's airplane take off.
