Homemade Lemonade

RECIPE

Ingredients

- 1 cups of sugar
- 6 cups of water
- 4 cups of ice
- 8 to 10 lemons

Directions

- Squeeze the lemons until you have about 1 cup of lemon juice.
- Bring the sugar and 2 cups of water to a boil in a small saucepan to dissolve the sugar to create simple syrup.
- Remove the syrup from heat.
- In a large pitcher, place the ice and remaining 4 cups of water. Pour in the lemon juice and simple syrup. Stir well. Store the lemonade in a refrigerator until you are ready to serve.
