

MEMBERSHIP AND ACCOUNT AGREEMENT

This Agreement covers your rights and responsibilities concerning your accounts and the rights and responsibilities of Piedmont Advantage Credit Union (Credit Union). In this Agreement, the words "you," "your," and "yours" mean anyone who signs an Account Card, Account Change Card, Member Services Request, or any other account opening document (Account Card), or for whom membership and/or service requests are approved through the Credit Union's online application and authentication process. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one or more share or deposit accounts you have with the Credit Union.

Your account type(s) and ownership features are designated by you on your Account Card or through the Credit Union's online application and authentication process. By signing an Account Card or authenticating your request, each of you, jointly and severally, agree to the terms and conditions in this Agreement, and any Account Card, Funds Availability Policy Disclosure, Truth-in-Savings Disclosure, Electronic Fund Transfers Agreement and Disclosure, Privacy Disclosure, or Account Receipt accompanying this Agreement, the Credit Union Bylaws or Code of Regulations (Bylaws), Credit Union policies, and any amendments, including additions, deletions, or other changes, made to these documents from time to time that collectively govern your membership, accounts and services.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, if applicable, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

1. MEMBERSHIP ELIGIBILITY - To join the Credit Union, you must meet the membership requirements, which may include the purchase and maintenance of the minimum required share(s) (hereinafter membership share), paying a membership fee, or other requirement(s) as set forth in the Credit Union's Bylaws. You authorize us to check your account, credit and employment history, and obtain reports from third parties, including credit and consumer reporting agencies, to verify your eligibility for the accounts, products and services you request and for other accounts, products, or services we may offer you or for which you may qualify.

2. INDIVIDUAL ACCOUNTS - An individual account is an account owned by one member who has qualified for credit union membership. If the account owner dies, the interest passes, subject to applicable law, to the account owner's estate or beneficiary, subject to other provisions of this Agreement governing our protection for honoring transfer and withdrawal requests of an owner or owner's agent prior to notice of an owner's death, any security interest or pledge granted by the account owner, and our statutory lien rights.

3. JOINT ACCOUNTS - (G.S. 54-109.58) A joint account is an account owned by two or more persons.

a. Rights of Survivorship. Unless otherwise stated on the Account Card or documented through the Credit Union's online application and authentication process, a joint account includes rights of survivorship. For a joint account with rights of survivorship, upon the death of one of the owners, the money remaining in the account will belong to the surviving owner(s). For a joint account without rights of survivorship, the deceased owner's interest passes to his or her estate. A surviving owner's interest is subject to the Credit Union's statutory lien for the deceased owner's obligations and to any security interest or pledge granted by a deceased owner, even if a surviving owner did not consent to it.

b. Control of Joint Accounts. Any owner is authorized and deemed to act for any other owner(s) and may instruct us regarding transactions and other account matters. Each owner guarantees the signature or authenticated request of any other owner(s). Any owner may withdraw or transfer funds, pledge to us all or any part of the shares, or stop payment on items without the consent of the other owner(s). We have no duty to notify any owner(s) about any transaction. We reserve the right to require written consent of all owners for any change to or termination of an account. If we receive written notice of a dispute between owners or inconsistent instructions from them, we may suspend or terminate the account and require a court order or written consent from all owners in order to act.

c. Joint Account Owner Liability. If an item deposited in a joint account is returned unpaid, a joint account is overdrawn, or if we do not receive final payment on a transaction, the owners, jointly and severally, are liable to us for any returned item, overdraft, or unpaid amount and for any related fees and charges, regardless of who initiated or benefited from the transaction. If any account owner is indebted to us, we may enforce our rights against any account of the indebted owner, including all funds in the joint account, regardless of who contributed the funds.

4. PAYABLE ON DEATH (POD) ACCOUNT DESIGNATIONS - A Payable on Death (POD) account is an account held in the name of one or more persons as owner or owners for one or more persons designated as beneficiaries. Each account owner understands that by establishing a POD account, the account and any balance thereof is subject to the following: a) during your lifetime you may withdraw the money in the account; b) by written direction to the Credit Union, you may change the beneficiary or beneficiaries; and c) upon your death the money remaining in the account will belong to the beneficiary or beneficiaries, and the money will not be inherited by your heirs or be controlled by your will. Any POD beneficiary designation shall not apply to Individual Retirement Accounts (IRAs). We are not obligated to notify any beneficiary of the existence of any account nor the vesting of a beneficiary's interest in any account, except as otherwise provided by law.

5. ACCOUNTS FOR MINORS - We may require any account established by a minor to be a joint account with an owner who has reached the age of majority under state law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid amount on such account and for any related fees and charges. We may pay funds directly to the minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction except as required by applicable law. We may not change the account status when the minor reaches the age of majority unless the change is authorized in writing by all account owners.

6. UNIFORM TRANSFERS TO MINORS ACCOUNT - A Uniform Transfers to Minors Account (UTMA) is an individual account created by a custodian who deposits funds as an irrevocable gift to a minor. The minor to whom the gift is made is the beneficiary of the custodial property in the account. The

custodian has possession and control of the account for the exclusive right and benefit of the minor and, barring a court order otherwise, is the only party authorized to make deposits, withdrawals, or close the account. We have no duty to inquire about the use or purpose of any transaction except as required by applicable law. If the custodian dies, we may suspend the account until we receive instructions from any person authorized by law to withdraw funds or a court order authorizing withdrawals. The account will terminate and be distributed in accordance with applicable law.

7. AGENCY DESIGNATION ON AN ACCOUNT - An agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or credit union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent except as required by applicable law.

8. DEPOSIT OF FUNDS REQUIREMENTS - Funds may be deposited to any account, in any manner approved by the Credit Union in accordance with the requirements set forth in the Truth-in-Savings Disclosure. Deposits made by mail, at night depositories, or at unstaffed facilities are not our responsibility until we receive them. We reserve the right to refuse or to return any deposit.

a. Endorsements. We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to, or to the order of, one or more account owners even if they are not endorsed by all payees. You authorize us to supply missing endorsements of any owners if we choose. If a check, draft, or item that is payable to two or more persons is ambiguous as to whether it is payable to either or both, we may process the check, draft, or item as though it is payable to either person. If an insurance, government, or other check or draft requires an endorsement, we may require endorsement as set forth on the item. Endorsements must be made on the back of the check or draft within 1½ inches of the top edge, although we may accept endorsements outside this space. However, any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you or any prior endorser will be your responsibility. If we offer a remote deposit capture service and you have been approved to use the service to make deposits to your account, you agree that, prior to transmitting check or draft images, you will restrictively endorse each original check or draft in accordance with any other agreement with us that governs this service.

b. Collection of Items. We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. We are not liable for the loss of an item in transit or the negligence of any correspondent. Each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor financial institution extra time beyond any midnight deadline limits.

c. Restrictive Legends. Some checks and drafts contain restrictive legends or similar limitations on the front of the item. Examples of restrictive legends include "two signatures required," "void after 60 days," and "not valid over \$500.00." We are not liable for payment of any check or draft contrary to a restrictive legend or other limitation contained in or on the item unless we have specifically agreed in writing to the restriction or limitation.

d. Final Payment. All checks, drafts, automated clearinghouse (ACH) transfers or other items credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items and impose a returned item fee on your account. Any collection fees we incur may be charged to your account. We reserve the right to refuse or return any item or fund transfer.

e. Direct Deposits. We may offer direct deposit services, including preauthorized deposits (e.g., payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize direct deposits or preauthorized transfers by completing a separate authorization document or process. You must notify us if you wish to cancel or change a direct deposit or preauthorized transfer. Any cancellation or change will become effective once we receive notice from you and have a reasonable period of time to act on your request. If your account is overdrawn, you authorize us to deduct the amount your account is overdrawn from any deposit, including deposits of government payments or benefits. If we are required to reimburse the U.S. Government for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law.

f. Crediting of Deposits. Deposits will be credited to your account on the day we consider them received as stated in our Funds Availability Policy Disclosure.

9. ACCOUNT ACCESS

a. Authorized Signature. Your signature on the Account Card, or authentication and approval of your account, authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor any check or draft that appears to bear your facsimile signature, even if it was made by an unauthorized person. You authorize us to honor transactions initiated by a third person to whom you have given your account information, even if you do not authorize a particular transaction.

b. Access Options. You may access your account(s) in any manner we permit including, for example, in person at one of our branch offices, at an ATM or point-of-sale device, or by mail, telephone, automatic transfer, internet access or mobile application. We may return as unpaid any check or draft drawn on a form we do not provide, and you are responsible for any losses, expenses or fees we incur as a result of handling such a check or draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We may refuse to honor a power of attorney if our refusal is conducted in accordance with applicable state law.

c. Credit Union Examination. We may disregard any information on any check or draft other than the signature of the drawer, the amount of the item, and any magnetic encoding. You agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

10. FUNDS TRANSFERS - Funds transfers we permit that are subject to Article 4A of the Uniform Commercial Code, such as wire transfers, will be subject to such provisions of the Uniform Commercial Code as enacted by the state where the main office of the Credit Union is located, except as otherwise provided in this Agreement. ACH transfers are subject to Nacha rules. We may execute certain requests for funds transfers by Fedwire which are subject to the Federal Reserve Board's Regulation J.

a. Authorization for Transfers/Debiting of Accounts. You may make or order funds transfers to or from your account. We will debit your account for the amount of a funds transfer from your account and will charge your account for any fees related to the transfer.

b. Right to Refuse to Make Transfers/Limitation of Liability. Unless we agree otherwise in writing, we reserve the right to refuse to execute any payment order to transfer funds to or from your account. We are not obligated to execute any payment order to transfer funds out of your account if the amount of the requested transfer plus applicable fees exceeds the available balance in your account. We are not liable for errors, delays, interruptions or transmission failures caused by third parties or circumstances beyond our control including mechanical, electronic or equipment failure. In addition, we will not be liable for consequential, special, punitive or indirect loss or damage you may incur in connection with funds transfers to or from your account.

c. No Notice Required. We will not provide you with notice when funds transfers are credited to your account. You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received.

d. Interest Payments. If we fail to properly execute a payment order and such action results in a delay in payment to you, we will pay you dividends or interest, whichever applies to your account, for the period of delay as required by applicable law. You agree that the dividend or interest rate paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period.

e. Provisional Credit for ACH Transactions. We may provisionally credit your account for an ACH transfer before we receive final settlement. If we do not receive final settlement, we may reverse the provisional credit or require you to refund us the amount provisionally credited to your account, and the party originating the transfer will not be considered to have paid you.

f. Payment Order Processing and Cut-off Times. Payment orders we accept will be executed within a reasonable time of receipt. Unless we have agreed otherwise in writing, a payment order may not necessarily be executed on the date it is received or on a particular date you specify. Cut-off times may apply to the receipt, execution and processing of funds transfers, payment orders, cancellations, and amendments. Funds transfers, payment orders, cancellations, and amendments received after a cut-off time may be treated as having been received on the next funds transfer business day. Information about any cut-off times is available upon request. From time to time, we may need to temporarily suspend processing of a transaction for greater scrutiny or verification in accordance with applicable law. This action may affect settlement or availability of the transaction.

g. Identifying Information. If your payment order identifies the recipient and any financial institution by name and account or other identifying number, the Credit Union and any other financial institutions facilitating the transfer may rely strictly on the account or other identifying number, even if the number identifies a different person or financial institution.

h. Amendments and Cancellations of Payment Orders. Any account owner may amend or cancel a payment order regardless of whether that person initiated the order. We may refuse requests to amend or cancel a payment order that we believe will expose the Credit Union to liability or loss. Any request to amend or cancel a payment order that we accept will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order.

i. Security Procedures. We may require you to follow a security procedure to execute, amend or cancel a payment order so that we may verify the authenticity of the order, amendment or cancellation. You agree that the security procedure established by separate agreement between you and the Credit Union is commercially reasonable. If you refuse to follow a commercially reasonable security procedure that we offer, you agree to be bound by any payment order, whether authorized or not, that is issued in your name and accepted by us in good faith in accordance with the security procedure you choose.

j. Duty to Report Unauthorized or Erroneous Funds Transfers. You must exercise ordinary care to identify and report unauthorized or erroneous funds transfers on your account. You agree that you will review your account(s) and periodic statement(s). You further agree you will notify us of any unauthorized or erroneous transfers within the time frames described in the "Statements" section of this Agreement.

k. Recording Telephone Requests. You agree that we may record payment order, amendment and cancellation requests as permitted by applicable law.

l. Remittance Transfers. A "remittance transfer" is an electronic transfer of funds of more than \$15.00 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider. If we act as a remittance transfer provider and conduct a remittance transfer(s) on your behalf, the transaction(s) will be governed by 12 C.F.R. part 1005, subpart B - Requirements for remittance transfers. Terms applicable to such transactions may vary from those disclosed herein and will be disclosed to you at the time such services are requested and rendered in accordance with applicable law.

11. ACCOUNT RATES AND FEES - We pay account earnings and assess fees against your account as set forth in the Truth-in-Savings Disclosure and Schedule of Fees and Charges. We may change the Truth-in-Savings Disclosure or Schedule of Fees and Charges at any time and will notify you as required by law.

12. TRANSACTION LIMITATIONS

a. Withdrawal Restrictions. We will pay checks or drafts, permit withdrawals, and make transfers from the available balance in your account. The availability of funds in your account may be delayed as described in our Funds Availability Policy Disclosure. We may also pay checks or drafts, permit withdrawals, and make transfers when you have an insufficient available balance in your account if you have established an overdraft protection plan or, if you do not have such a plan with us, in accordance with our overdraft payment policy.

We may refuse to allow a withdrawal in some situations and will advise you accordingly if, for example: (1) there is a dispute between account owners (unless a court has ordered the Credit Union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; (5) you fail to repay a credit union loan on time; or (6) we deem it necessary for any other reason allowed by applicable law. We may require you to give written notice of 7 to 60 days before any intended withdrawals.

b. Transfer Limitations. We may limit the dollar amount or the number of transfers from your account. Please consult your Truth-in-Savings Disclosure or your Electronic Fund Transfers Agreement and Disclosure.

13. CERTIFICATE ACCOUNTS - Any term share, share certificate, time deposit or certificate of deposit account (certificate account), whichever we offer as allowed by applicable federal or state law, is subject to the terms of this Agreement, the Truth-in-Savings Disclosure, the Account Receipt for each account, and any other documents we provide for the account, the terms of which are incorporated herein by reference.

14. OVERDRAFTS

a. Payment of Overdrafts. If, on any day, the available balance in your share or deposit account is not sufficient to pay the full amount of a check, draft, transaction, or other item, plus any applicable fee, that is posted to your account, we may return the item or pay it, as described below. The Credit Union's determination of an insufficient available account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one review of the account required. We do not have to notify you if your account does not have a sufficient available balance in order to pay an item. Your account may be subject to a fee for each item regardless of whether we pay or return the item.

If we offer standard overdraft services, this service allows us to authorize payment for the following types of transactions regardless of whether your share or deposit account has sufficient funds: (1) share drafts/checks and other transactions made using your checking account, except as otherwise described below; (2) automatic bill payments; (3) and ACH transactions. For ATM and one-time debit card transactions, you must affirmatively consent to such coverage. Without your consent, the Credit Union may not authorize and pay an ATM or one-time debit card

transaction that will result in insufficient funds in your account. If you have established a service linking your share or deposit account with other individual or joint accounts, you authorize us to transfer funds from another account of yours to cover an insufficient item, including transfers from a share or deposit account, an overdraft line-of-credit account, or other account you so designate. Services and fees for these transactions are shown in the document the Credit Union uses to capture your affirmative consent and the Schedule of Fees and Charges.

Except as otherwise agreed in writing, if we exercise our right to use our discretion to pay such items that result in an insufficiency of funds in your account, we do not agree to pay them in the future and may discontinue coverage at any time without notice. If we pay these items or impose a fee that results in insufficient funds in your account, you agree to pay the insufficient amount, including the fee assessed by us, in accordance with our standard overdraft services or any other service you may have authorized with us or, if you do not have such protections with us, in accordance with any overdraft payment policy we have, as applicable. For terms and conditions related to our Overdraft Advantage Program, please refer to our Overdraft Advantage Service Policy.

b. How Transactions are Posted to Your Account. Basically, there are two types of transactions that affect your account: credits (deposits of money into your account) and debits (payments out of your account). It is important to understand how each is applied to your account so that you know how much money you have and how much is available to you at any given time. This section explains generally how and when we post transactions to your account.

Credits. Deposits are generally added to your account when we receive them. However, in some cases when you deposit a check, the full amount of the deposit may not be available to you at the time of deposit. Please refer to the Funds Availability Policy Disclosure for details regarding the timing and availability of funds from deposits.

Debits. There are several types of debit transactions. Common debit transactions are generally described below. Keep in mind that there are many ways transactions are presented for payment by merchants, and we are not necessarily in control of when transactions are received.

- **Checks.** When you write a check, it is processed through the Federal Reserve system. We receive data files of cashed checks from the Federal Reserve each day. The checks drawn on your account are compiled from these data files and paid each day. We process the payments in the order contained in the data file.
- **ACH Payments.** We receive data files every day from the Federal Reserve with Automated Clearing House (ACH) transactions. These include, for example, automatic bill payments you have authorized. ACH transactions for your account are posted throughout the day in order of receipt.
- **PIN-Based Debit Card Purchase Transactions.** These are purchase transactions using your debit card for which a merchant may require you to enter your personal identification number (PIN) at the time of sale. They are processed through a PIN debit network. These transactions are similar to ATM withdrawal transactions because the money is usually deducted from your account immediately at the time of the transaction. However, depending on the merchant, a PIN-based transaction may not be immediately presented for payment.
- **Signature-Based Debit Card Purchase Transactions.** These are purchase transactions using your debit card that are processed through a signature-based network. Rather than entering a PIN, you typically sign for the purchase; however, merchants may not require your signature for certain transactions. Merchants may seek authorization for these types of transactions. The authorization request places a hold on funds in your account when the authorization is completed. This is referred to as an "authorization hold". An authorization hold will reduce your available balance by the amount authorized but will not affect your actual balance. The transaction is subsequently processed by the merchant and submitted to us for payment. This can happen hours or sometimes days after the transaction, depending on the merchant and its payment processor. These payment requests are received in real time throughout the day and are posted to your account when they are received.

The amount of an authorization hold may differ from the actual payment because the final transaction amount may not yet be known to the merchant when you present your card for payment. For example, if you use your debit card at a restaurant, a hold will be placed in an amount equal to the bill presented to you; but when the transaction posts, it will include any tip that you may have added to the bill. This may also be the case where you present your debit card for payment at gas stations, hotels and certain other retail establishments. We cannot control how much a merchant asks us to authorize, or when a merchant submits a transaction for payment.

For debit card transactions involving merchant authorization holds, there may be a delay between the hold being applied and the transaction posting to your account. During the delay, intervening transactions may impact the available balance in your account. It is important to keep in mind that we check your available balance both at the time the merchant's authorization request is received and again when the transaction settles and posts to your account. If your available balance is insufficient to cover the amount of the merchant's authorization request, we will decline the request. If your available balance is sufficient to cover the merchant's authorization request, the request will be approved, and an authorization hold in the amount of the request will be placed on your account. The transaction will be subsequently processed by the merchant and submitted to us for payment. If the transaction settles and posts to your account at a time when the available balance is insufficient to pay the transaction without causing an overdraft (i.e., posting the transaction results in an available balance of less than \$0), we will charge you a fee for overdrawing your account, even though the available balance in your account was sufficient to cover the transaction at the time it was authorized.

The following example illustrates how this works:

Assume your actual and available balances are both \$40, and you use your debit card at a restaurant to pay your bill totaling \$30. If the restaurant requests authorization in the amount of \$30, an authorization hold is placed on \$30 in your account. Your available balance is only \$10, but the actual balance remains \$40. Before the restaurant charge is sent to us for payment, a check that you wrote for \$40 is presented for payment. Because your available balance is only \$10 due to the \$30 authorization hold, your account will be overdrawn by \$30 when the check transaction is posted to your account even though your actual balance is \$40. In this example, if we pay the \$40 check in accordance with our standard overdraft services, we will charge you a fee for overdrawing your account as disclosed in the Schedule of Fees and Charges. The fee will also be deducted from your account, further increasing the overdrawn amount. In addition, when the restaurant charge is finally submitted to us for payment, we will release the authorization hold and pay the transaction amount to the restaurant. The transaction amount may be \$30 or a different amount (for example, if you added a tip). Because the amount of the restaurant charge exceeds your available balance at the time the charge is settled (i.e., at the time the merchant or its financial institution requests payment or the transaction posts to your account), we will charge you another fee for overdrawing your account, even though you had a sufficient available balance in your account at the time the restaurant charge was authorized and approved.

This is a general description of certain types of transactions. These practices may change, and we reserve the right to pay items in any order we choose as permitted by law.

c. Understanding Your Account Balance. Your share draft account has two kinds of balances: the actual balance and the available balance. Your actual balance reflects the full amount of all deposits to your account as well as payment transactions that have been posted to your account. It does not reflect checks you have written and are still outstanding or transactions that have been authorized but are still pending. Your available balance is the amount of money in your account that is available for you to use. Your available balance is your actual balance less: (1) holds placed on deposits; (2) holds on debit card or other transactions that have been authorized but are not yet posted; and (3) any other holds, such as holds related to pledges of account funds and minimum balance requirements or to comply with court orders. We use your available balance to determine whether there are sufficient funds in your account to pay items, including checks and drafts, as well as ACH, debit card and other electronic transactions. Pending transactions and holds placed on your account may reduce your available balance and may cause your account to become overdrawn regardless of your actual balance. In such cases, subsequent posting of the pending transactions may further overdraw your account and be subject to additional fees. You should assume that any item which would overdraw your account based on your available balance may create an overdraft. You may check your available balance online at www.pacu.com, at an ATM, by visiting a credit union branch or by calling us at 800-433-7228.

15. POSTDATED AND STALEDATED CHECKS OR DRAFTS - You agree not to issue any check or draft that is payable on a future date (postdated). If you do draw or issue a check or draft that is postdated and we pay it before that date, you agree that we shall have no liability to you for such payment. You agree not to deposit checks, drafts, or other items before they are properly payable. We are not obligated to pay any check or draft drawn on your account that is presented more than six months past its date; however, if the check or draft is paid against your account, we will have no liability for such payment.

16. STOP PAYMENT ORDERS

a. Stop Payment Order Request. Any owner may request a stop payment order on any check or draft drawn on the owner's account. To be binding, the order must accurately describe the check or draft, including the exact account number, check or draft number, and amount of the check or draft. This exact information is necessary for the Credit Union to identify the check or draft. If we receive incorrect or incomplete information, we will not be responsible for failing to stop payment on the check or draft. In addition, we must receive sufficient advance notice of the stop payment order to allow us a reasonable opportunity to act on it. If we recredit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to assign to us all of your rights against the payee or other holders of the check or draft, and to assist us in any legal action.

Stop payment orders for preauthorized debit transactions from your account are governed by Regulation E. Please refer to the Electronic Fund Transfers Agreement and Disclosure for rules regarding stop payments on preauthorized debit transactions.

b. Duration of Order. You may make an oral stop payment order which will lapse within 14 calendar days unless you confirm it in writing, or in a record if allowed by applicable law, within that time. A written stop payment order is effective for six months and may be renewed for additional six-month periods by submitting a renewal request in writing, or in a record if allowed by applicable law, before the stop payment order then in effect expires. We do not have to notify you when a stop payment order expires.

c. Liability. Fees for stop payment orders are set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. You may not stop payment on any certified check, cashier's check, teller's check, or any other check, draft, or payment guaranteed by us. Although payment of an item may be stopped, you may remain liable to any item holder, including us. You have the burden of establishing the fact and amount of loss resulting from the payment of an item contrary to a binding stop payment order. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees and all damages or claims related to our refusal to pay an item, as well as claims of any joint account owner or of any payee or endorsee for failing to stop payment of an item as a result of incorrect information provided by you.

17. CREDIT UNION LIABILITY - If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. We will not be liable if, for example: (1) your account contains an insufficient available balance for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are subject to legal process or other claim. We will not be liable for consequential damages, except liability for wrongful dishonor. We are not responsible for a check or draft that is paid by us if we acted in a commercially reasonable manner and exercised ordinary care. We exercise ordinary care if our actions or nonactions are consistent with applicable state law, Federal Reserve regulations and operating letters, clearinghouse rules, and general financial institution practices followed in the area we serve. You grant us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Agreement. Any conflict regarding what you and our employees say or write will be resolved by reference to this Agreement.

18. CHECKS OR DRAFTS PRESENTED FOR PAYMENT IN PERSON - We may refuse to accept any check or draft drawn on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check or draft, and we shall have no liability for refusing payment. If we agree to cash a check or draft that is presented for payment in person, we may require the presenter to pay a fee. Any applicable check or draft cashing fees are stated in the Schedule of Fees and Charges.

19. REMOTELY CREATED CHECKS OR DRAFTS - For purposes of this paragraph, "account" means a transaction account, credit account, or any other account on which checks or drafts may be drawn. A remotely created check or draft is a check or draft created by someone other than the person on whose account the check or draft is drawn. A remotely created check or draft is generally created by a third-party payee as authorized by the owner of the account on which the check or draft is drawn. Authorization is usually made over the telephone or through online communication. The owner of the account does not sign a remotely created check or draft. In place of the owner's signature, the remotely created check or draft usually bears a statement that the owner authorized the check or draft or bears the owner's printed or typed name. If you authorize a third party to draw a remotely created check or draft against your account, you may not later revoke or change your authorization. It is your responsibility to resolve any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check or draft for which the third party has proof of your authorization.

20. PLEDGE, RIGHT OF OFFSET AND STATUTORY LIEN - Unless prohibited by law, you pledge and grant as security for all obligations you may have now or in the future, except obligations secured by your principal residence, all shares and dividends and all deposits and interest, if any, in all accounts you have with us now and in the future. If you pledge a specific dollar amount in your account(s) for a loan, we will freeze the funds in your account(s) to the extent of the outstanding balance of the loan or, if greater, the amount of the pledge if the loan is a revolving loan. Otherwise, funds in your pledged account(s) may be withdrawn unless you are in default. You agree we have the right to offset funds in any of your accounts against the obligation owed to us. Federal or state law (depending upon whether we have a federal or state charter) gives us a lien on all shares and dividends and all deposits and interest, if any, in accounts you have with us now and in the future. Except as limited by federal or state law, the statutory lien gives us the right to apply the balance of all your accounts to any obligation on which you are in default. After you are in default, we may exercise our statutory lien rights without further notice to you.

Your pledge and our statutory lien rights will allow us to apply the funds in your account(s) to what you owe when you are in default, except as limited by federal or state law. If we do not apply or offset the funds in your account(s) to satisfy your obligation, we may place an administrative freeze on your account(s) in order to protect our statutory lien rights and may apply or offset the funds in your account(s) to the amount you owe us at a later time. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under federal or state law if given as security. By not enforcing our right to apply or offset funds in your account(s) to your obligations that are in default, we do not waive our right to enforce these rights at a later time.

21. LEGAL PROCESS - If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved, as permitted by law. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

22. ACCOUNT INFORMATION - Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; or (4) you give us written permission.

23. NOTICES

a. Name or Address Changes. You are responsible for notifying us of any name or address change. The Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us. We may require all name and address changes to be provided in writing. If we attempt to locate you, we may impose a service fee as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges.

b. Notice of Amendments. Except as prohibited by applicable law, we may amend this Agreement by adding, removing, or changing terms at any time. We will notify you, in a manner we deem appropriate under the circumstances, of any changes in terms, rates or fees as required by law. We reserve the right to waive any terms of this Agreement. Any such waiver shall not affect our right to future enforcement.

c. Effect of Notice. Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is provided electronically or is deposited in the U.S. mail, postage prepaid and addressed to you at your statement mailing address, and will be effective whether or not received by you. Notice to any account owner is considered notice to all account owners.

d. Electronic Notices. If you have agreed to receive notices electronically, we may send you notices electronically and discontinue mailing paper notices to you until you notify us that you wish to reinstate receiving paper notices.

24. TAXPAYER IDENTIFICATION NUMBER AND BACKUP WITHHOLDING - You agree that we may withhold taxes from any dividends or interest earned on your account as required by federal, state or local law or regulations. Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service a percentage of dividends, interest, and certain other payments. If you fail to provide your TIN within a reasonable time, we may suspend opening your account or close your account and return the balance to you, less any applicable service fees.

25. STATEMENTS

a. Contents. If we provide a periodic statement for your account, you will receive a periodic statement that shows the transactions and activity on your account during the statement period as required by applicable law. If a periodic statement is provided, you agree that only one statement is necessary for joint accounts. For share draft or checking accounts, you understand and agree that your original check or draft, when paid, becomes property of the Credit Union and may not be returned to you, but copies of the check or draft may be retained by us or by payable-through financial institutions and may be made available upon your request. You understand and agree that statements are made available to you on the date they are mailed to you or, if you have requested, on the date they are made available to you electronically. You also understand and agree that checks, drafts, or copies thereof are made available to you on the date the statement is mailed to you or is provided to you electronically, even if the checks or drafts do not accompany the statement.

b. Examination. You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report any irregularities such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies that are reflected on your statement within 33 days of the date we sent or otherwise provided the statement to you, we will not be responsible for your loss. We also will not be liable for any items that are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of facsimile signature equipment.

Unauthorized electronic fund transfers governed by Regulation E are subject to different reporting periods. Please refer to the Electronic Fund Transfers Agreement and Disclosure for reporting requirements pertaining to electronic fund transfers.

c. Notice to Credit Union. You agree that the Credit Union's retention of checks or drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes, and we will not be liable for any payment made or charge to your account unless you notify us in writing within the above time limit for notifying us of any errors. If you fail to receive a periodic statement, you agree to notify us within 14 days of the time you regularly receive a statement.

d. Address. If we mail you a statement, we will send it to the last known address shown in our records. If you have requested to receive your statement electronically, we will send the statement or notice of statement availability to the last e-mail address shown in our records.

26. INACTIVE ACCOUNTS - As allowed by applicable law, we may classify your account as inactive or dormant and assess a fee if you have not made any transactions in your account over a specified period of time. The period of inactivity, the fee for servicing an inactive or dormant account, and the minimum balance required to avoid the service fee, if any, are set forth in our Schedule of Fees and Charges. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer the account funds to an account payable or reserve account and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will then be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds. If you choose to reclaim such funds, you must apply to the appropriate state agency.

27. SPECIAL ACCOUNT INSTRUCTIONS - You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or provide us with other protection. We may require that account changes requested by you, or any account owner, such as adding or closing an account or service, be evidenced by a signed Account Change Card, Member Services Request, or other document which evidences a change to an account and accepted by us.

28. TERMINATION OF ACCOUNT - We may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if, for example: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any checks or drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; (7) we reasonably deem it necessary to prevent a loss to us; or (8) as otherwise permitted by law. You may terminate an individual account by giving written notice. We reserve the right to require the consent of all owners to terminate a joint account. We are not responsible for payment of any check, draft, withdrawal, transaction, or other item after your account is terminated; however, if we pay an item after termination, you agree to reimburse us.

29. TERMINATION OF MEMBERSHIP; LIMITATION OF SERVICES - You may terminate your membership by giving us written notice or by withdrawing your minimum required membership share, if any, and closing all of your accounts. You may be expelled from membership for any reason allowed by applicable law. Failure to maintain your membership share may result in the termination of your membership in accordance with the Credit Union's Bylaws and Credit Union policies. We may restrict account access and services without notice to you when your account is being misused; you have demonstrated conduct which is abusive in nature; as outlined in any policy we have adopted regarding restricting services; or as otherwise permitted by law.

30. DEATH OR INCOMPETENCE - We may honor all transfer orders, withdrawals, deposits, and other transactions on an account until we know of a member's death or adjudication of incompetence. Even with such knowledge, we may continue to pay checks or drafts drawn on the deceased member's account for a period of ten days after the member's death unless we receive instructions from any person claiming an interest in the account to stop payment on the checks or drafts. To the extent permitted by law, we may require anyone claiming funds from a deceased owner's account to indemnify us for any losses we sustain if we honor that claim. This Agreement will be binding upon any heirs or legal representatives of any account owner.

31. UNLAWFUL INTERNET GAMBLING AND OTHER ILLEGAL ACTIVITIES - You agree that you are not engaged in unlawful internet gambling or any other illegal activity. You agree that you will not use any of your accounts, access devices or services for unlawful internet gambling or other illegal activities. We may terminate your account relationship if you engage in unlawful internet gambling or other illegal activities.

32. SEVERABILITY - If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of the Agreement.

33. ENFORCEMENT - You are liable to us for any losses, costs, or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs, or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post judgment collection actions.

34. GOVERNING LAW - This Agreement is governed by the following, as amended from time to time: the Credit Union's bylaws; local clearinghouse and other payment system rules; federal laws and regulations, including applicable principles of contract law; and the laws and regulations of the state of North Carolina. As permitted by applicable law, you agree that any legal action regarding this Agreement can only be brought in the county in which the debt is incurred, or the county in which the consumer lives when the suit is filed.

35. NEGATIVE INFORMATION NOTICE - We may report information about your loan, share, or deposit accounts to credit bureaus. Late payments, missed payments, or other defaults on your accounts may be reflected in your credit report.

36. MONITORING AND RECORDING COMMUNICATIONS - We may monitor and record communications between you and us, including telephone conversations, electronic messages, electronic records, or other data transmissions that affect your accounts or other products and services. Except as otherwise prohibited by applicable law, you agree we may monitor and record such communications without your approval or further notice to you.

37. CONSENT TO CONTACT - By signing or otherwise authenticating an Account Card, you agree we and/or our third-party providers, including debt collectors, may contact you by telephone call, text message, or voicemail transmission at any telephone number associated with your account, including wireless telephone numbers (i.e. cell phone numbers) which could result in charges to you, in order to service your account or collect any amounts owed to us, excluding any contacts for advertising and telemarketing purposes as prescribed by law. You further agree methods of contact may include use of pre-recorded or artificial voice messages, and/or use of an automatic dialing device. You may withdraw the consent to be contacted on your wireless telephone number(s) at any time by any reasonable means. If you have provided a wireless telephone number(s) on or in connection with any account, you represent and agree you are the wireless subscriber or customary user with respect to the wireless telephone number(s) provided and have the authority to give this consent. Furthermore, you agree to notify us of any change to the wireless telephone number(s) which you have provided to us.

In order to help mitigate harm to you and your account, we may contact you on any telephone number associated with your account, including a wireless telephone number (i.e. cell phone number), to deliver to you any messages related to suspected or actual fraudulent activity on your account, data security breaches or identity theft following a data breach, money transfers or any other exigent messages permitted by applicable law. These contacts will not contain any telemarketing, cross-marketing, solicitation, advertising, or debt collection message of any kind. The contacts will be concise and limited in frequency as required by law. You will have an opportunity to opt-out of such communications at the time of delivery.

38. INFORMAL DISPUTE RESOLUTION PROCESS - Neither you nor the Credit Union may commence, join, or be joined to any judicial action (as either an individual litigant or a member of a class) that arises from the other party's actions relating in any way to your accounts or that alleges that the other party has breached any provision of, or any duty owed by reason of, any agreement with the Credit Union until you or the Credit Union has notified the other party of such alleged breach in accordance with the notice procedures prescribed for the Informal Dispute Resolution Process described below, and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action (if corrective action is appropriate). You must provide this notice once you became aware of a claim, within the time required under applicable law. If applicable law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this section. If no applicable law provides a time period which must elapse before certain action can be taken, you and the Credit Union agree that each shall have 60 days from the date of the notice given as required by this Informal Dispute Resolution Process to take any corrective action. All notices given in connection with this Informal Dispute Resolution Process by either you or the Credit Union must be in writing. Any notice to you in connection with this Informal Dispute Resolution Process shall be deemed to have been given to you when mailed by first class mail to your notice address or when actually delivered to your notice address if sent by other means and will be effective whether or not received by you. Your notice address shall be the mailing address associated with your account at the time of the notice. There may be only one designated notice address under this Informal Dispute Resolution Provision at any one time. Any notice to the Credit Union shall be given by delivering it or by mailing it by first class mail addressed to: Piedmont Advantage Credit Union, Attn: Legal Department, 3530 Advantage Way, Winston-Salem, NC 27103. Any notice in connection with this Informal Dispute Resolution Process shall not be deemed to have been given to the Credit Union until actually received by the Credit Union. If any notice required by this Informal Dispute Resolution Process is also required under applicable law, the applicable law requirement will satisfy the corresponding requirement under this Informal Dispute Resolution Process.

FUNDS AVAILABILITY POLICY DISCLOSURE

This disclosure describes your ability to withdraw funds at Piedmont Advantage Credit Union. It only applies to the availability of funds in your transaction accounts (e.g., checking accounts). We reserve the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those outlined in this disclosure. Please ask us if you have a question about which accounts are affected by our availability policy.

For purposes of this disclosure, the terms "you" or "your" mean the member, and the terms "our," "we," or "us" mean Piedmont Advantage Credit Union. The term "check" means check or share draft, as applicable.

1. YOUR ABILITY TO WITHDRAW FUNDS – Our policy is to make funds from your cash and check deposits available to you on the same business day that we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash, and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays.

If you make a deposit before close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the close of business or on a day we are not open, we will consider that the deposit was made on the next business day we are open. Our business hours are available at the Credit Union.

2. LONGER DELAYS MAY APPLY – In some cases, we will not make all of the funds that you deposit by check available to you on the same business day that we receive your deposit. Depending on the type of check you deposit, funds may not be available until the second business day after the day of your deposit. The first **\$275.00** of your deposits, however, may be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will send you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than **\$6,725.00** on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

3. SPECIAL RULES FOR NEW ACCOUNTS – If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first **\$6,725.00** of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks will be available on the same business day that we receive your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over **\$6,725.00** will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first **\$6,725.00** will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

4. HOLDS ON OTHER FUNDS FOR CHECK CASHING – If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

5. HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT – If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

ELECTRONIC FUND TRANSFERS AGREEMENT AND DISCLOSURE

This Electronic Fund Transfers Agreement and Disclosure is the contract which covers your and our rights and responsibilities concerning the electronic fund transfers (EFT) services offered to you by Piedmont Advantage Credit Union ("Credit Union"). In this Agreement, the words "you," "your," and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one (1) or more share and checking accounts you have with the Credit Union. Electronic fund transfers are electronically initiated transfers of money from your account through the EFT services described below. By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered. Furthermore, electronic fund transfers that meet the definition of remittance transfers are governed by 12 C.F.R. part 1005, subpart B—Requirements for remittance transfers, and consequently, terms of this agreement may vary for those types of transactions. A "remittance transfer" is an electronic transfer of funds of more than \$15.00 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider. Terms applicable to such transactions may vary from those disclosed herein and will be disclosed to you at the time such services are requested and rendered in accordance with applicable law.

1. EFT SERVICES — If approved, you may conduct any one (1) or more of the EFT services offered by the Credit Union.

a. Debit Card. If approved, you may use your Mastercard® card to purchase goods and services from participating merchants. However, you may not use your card to initiate any type of gambling transaction. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction. You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your card purchases will be deducted from your checking account. For one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

For other types of transactions, if the balance in your account is not sufficient to pay the transaction amount, the Credit Union may pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts, or loan accounts that you have established with the Credit Union. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your card and personal identification number (PIN) in ATMs of the Credit Union, Cirrus, Co-Op, STAR, and Jeanie networks, and such other machines or facilities as the Credit Union may designate.

Card Information Updates and Authorizations. If you have authorized a merchant to bill charges to your card on a recurring basis, it is your responsibility to notify the merchant in the event your card is replaced, your card information (such as card number and expiration date) changes, or the account associated with your card is closed. However, if your card is replaced or card information changes, you authorize us, without obligation on our part, to provide the updated card information to the merchant in order to permit the merchant to bill recurring charges to the card. You authorize us to apply such recurring charges to the card until you notify us that you have revoked authorization for the charges to your card.

Your card is automatically enrolled in an information updating service. Through this service, your updated card information (such as card number and expiration date) may be shared with participating merchants to facilitate continued recurring charges. Updates are not guaranteed before your next payment to a merchant is due. You are responsible for making direct payment until recurring charges resume. To revoke your authorization allowing us to provide updated card information to a merchant, please contact us.

- See Section 2 for transfer limitations that may apply to these transactions.

The Credit Union reserves the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds. You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within 14 days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding 14 days after it has been made. A stop payment request may apply to a single transfer, multiple transfers, or all future transfers as directed by you, and will remain in effect unless you withdraw your request or all transfers subject to the request have been returned.
- **Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.
- **Liability for Failure to Stop Payment of Preauthorized Transfers.** If you order us to stop payment of a preauthorized transfer three (3) business days or more before the transfer is scheduled and we do not do so, we will be liable for your losses or damages.

If you pay for purchases or bills with a check or draft, you may authorize your check or draft to be converted to an electronic fund transfer. You may also authorize merchants or other payees to electronically debit your account for returned check fees. increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. - Transfer funds from your share, checking, loan, and money market accounts.
- Obtain balance information for your share, checking, loan, IRA, money market, club, and certificate accounts.

Your accounts can be accessed under Mobiliti via mobile device or other approved access device(s). Mobiliti will be available for your convenience 24 hours per day. This service may be interrupted for a short time each day for data processing. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction and there may be limits on the duration of each access.

The following limitations on Mobiliti transactions may apply:

- There is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one (1) day.
- You may make up to \$5,000.00 in daily deposits to your accounts via Remote Deposit Capture.

g. Bill Pay. We will process bill payment transfer requests only to those creditors the Credit Union has designated in the User Instructions and such creditors as you authorize and for whom the Credit Union has the proper vendor code number. We will not process any bill payment transfer if the required transaction information is incomplete.

We will withdraw the designated funds from your checking account for bill payment transfer by the designated cutoff time on the date you schedule for payment. We will process your bill payment transfer within a designated number of days before the date you schedule for payment. You must allow sufficient time for vendors to process your payment after they receive a transfer from us. Please leave as much time as though you were sending your payment by mail. We cannot guarantee the time that any payment will be credited to your account by the vendor.

The following limitations on Bill Pay transactions may apply:

- There is no limit on the number of bill payments per day.

2. TRANSFER LIMITATIONS — For all share accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed.

3. CONDITIONS OF EFT SERVICES —

a. Ownership of Cards. Any card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the card, immediately according to instructions. The card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your card or account to another person.

b. Honoring the Card. Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

c. Foreign Transactions.

Mastercard. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate used to convert foreign currency transactions to U.S. dollars is based on rates observed in the wholesale market or government-mandated rates, where applicable. The currency conversion rate Mastercard uses for a particular transaction is the rate for the applicable currency on the date the transaction occurs. However, in limited situations, particularly where transaction submissions to Mastercard for processing are delayed, the currency conversion rate Mastercard uses may be the rate for the applicable currency on the date the transaction is processed.

d. Security of Access Code. You may use one (1) or more access codes with your electronic fund transfers. The access codes issued to you are for your security purposes. Any access codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

e. Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any share and checking or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and is hereby authorized by every other joint account owner, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

4. FEES AND CHARGES — We assess certain fees and charges for EFT services. From time to time, the fees and charges may be changed, and we will notify you as required by applicable law.

Additionally, if you use an ATM not operated by us, you may be charged a fee(s) by the ATM operator and by any international, national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer). The ATM fee(s), or surcharge(s), will be debited from your account if you elect to complete the transaction and/or continue with the balance inquiry.

You understand and agree that we and/or the ATM operator may charge you multiple fees for multiple transactions during the same ATM session (for example, fees for both a balance inquiry and a cash withdrawal).

a. Debit Card Fees.

- \$1.00 charge for ATM withdrawals at machines we do not own (nonproprietary).
- Replacement card fee of \$20.00 per card.
- Nonsufficient funds fee of \$32.00 per submission/resubmission of an item.
- \$32.00 charge for each one-time debit overdraft.

5. MEMBER LIABILITY — You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit someone else to use an EFT service, your card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts. However, TELL US AT ONCE if you believe your card and/or access code has been lost or stolen, if you believe someone has used your card or access code or otherwise accessed your accounts without your permission, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line-of-credit).

You are not liable for an unauthorized Mastercard debit card transaction if you can demonstrate that you have exercised reasonable care in protecting your card or access code from loss or theft and, upon discovering the loss or theft, you promptly report the loss or theft to us.

For all other EFT transactions involving access devices, your liability for unauthorized transactions is determined as follows. If you tell us within two (2) business days after you learn of the loss or theft of your card or access code, you can lose no more than \$50.00 if someone used your card or access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or access code and we can prove that we could have stopped someone from using your card or access code without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make including those made by card, access code or other means, TELL US AT ONCE. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money lost after the 60 days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods.

If you believe your card or access code has been lost or stolen or that someone has transferred or may transfer money from your accounts without your permission, call:

336.776.1700
800.433.7228
800.528.2273 (lost/stolen)

or write to:

Piedmont Advantage Credit Union
3530 Advantage Way
Winston Salem, NC 27103
Fax: 336.744.8894

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

6. RIGHT TO RECEIVE DOCUMENTATION —

a. Periodic Statements. Transfers and withdrawals made through any ATM or POS terminal, debit card transactions, audio response transactions, preauthorized EFTs, online/PC transactions, mobile access device transactions or bill payments you make will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

b. Terminal Receipt. You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM and/or point-of-sale (POS) terminal.

c. Direct Deposit. If you have arranged to have a direct deposit made to your account at least once every 60 days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling 336.776.1700 or 800.433.7228. This does not apply to transactions occurring outside the United States.

7. ACCOUNT INFORMATION DISCLOSURE — We will disclose information to third parties about your account or the transfers you make:

- As necessary to complete transfers;
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- If your account is eligible for emergency cash and/or emergency card replacement services and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s);
- To comply with government agency or court orders; or
- If you give us your written permission.

8. BUSINESS DAYS — Our business days are Monday through Friday, excluding holidays.

9. CREDIT UNION LIABILITY FOR FAILURE TO MAKE TRANSFERS — If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events:

- If, through no fault of ours, there is an insufficient available balance in your account to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy Disclosure, or if the transaction involves a loan request exceeding your credit limit.
- If you used your card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the ATM was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.
- If funds in your account are pledged as collateral or frozen because of a delinquent loan.
- If the error was caused by a system of any participating ATM network.
- If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EFT facility for making such transfers.
- If the telephone or computer equipment you use to conduct audio response, online/PC, or mobile banking transactions is not working properly and you know or should have known about the breakdown when you started the transaction.
- If you have bill payment services, we can only confirm the amount, the participating merchant, and date of the bill payment transfer made by the Credit Union. For any other error or question you have involving the billing statement of the participating merchant, you must contact the merchant directly. We are not responsible for investigating such errors.
- Any other exceptions as established by the Credit Union.

10. NOTICES — All notices from us will be effective when we have mailed them or delivered them to the appropriate address in the Credit Union's records. Written notice you provide in accordance with your responsibility to report unauthorized transactions to us will be considered given at the time you mail the notice or deliver it for transmission to us by any other usual means. All other notices from you will be effective when received by the Credit Union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which EFT services are offered and will provide notice to you in accordance with applicable law. Use of EFT services is subject to existing regulations governing your Credit Union account and any future changes to those regulations.

The following information is a list of safety precautions regarding the use of ATMs and night deposit facilities:

- Be aware of your surroundings, particularly at night.
- Consider having someone accompany you when the ATM or night deposit facility is used after dark.
- Close the entry door of any ATM facility equipped with a door.
- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction. If it is after the regular hours of the financial institution and you are using an ATM, do not permit entrance to any person you do not know.
- Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your money in your purse or wallet. Count the cash later in the safety of your car or home.
- If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your card or deposit envelope, and leave.
- If you are followed after making a transaction, go to the nearest public area where people are located.

- Do not write your personal identification number (PIN) or access code on your card.
- Report all crimes to law enforcement officials immediately. If emergency assistance is needed, call the police from the nearest available public telephone.

11. BILLING ERRORS — In case of errors or questions about electronic fund transfers from your share and checking accounts or if you need more information about a transfer on the statement or receipt, telephone us at the following number or send us a written notice to the following address as soon as you can. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem appears. Call us at:

336.776.1700
800.433.7228

or write to:

Piedmont Advantage Credit Union
3530 Advantage Way
Winston Salem, NC 27103
Fax: 336.744.8894

- Tell us your name and account number.
- Describe the electronic transfer you are unsure about and explain, as clearly as you can, why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error has occurred within ten (10)* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45** days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)** business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

* If you give notice of an error occurring within 30 days after you make the first deposit to your account, we may take up to 20 business days instead of ten (10) business days to investigate the error.

** If you give notice of an error occurring within 30 days after you make the first deposit to your account, notice of an error involving a point-of-sale (POS) transaction, or notice of an error involving a transaction initiated outside the U.S., its possessions and territories, we may take up to 90 days instead of 45 days to investigate the error. Additionally, for errors occurring within 30 days after you make the first deposit to your account, we may take up to 20 business days instead of ten (10) business days to credit your account.

12. TERMINATION OF EFT SERVICES — You may terminate this Agreement or any EFT service under this Agreement at any time by notifying us in writing and stopping your use of your card and any access code. You must return all cards to the Credit Union. You also agree to notify any participating merchants that authority to make bill payment transfers has been revoked. We may also terminate this Agreement at any time by notifying you orally or in writing. If we terminate this Agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this Agreement has been terminated and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your card or access code for any EFT service. Whether you or the Credit Union terminates this Agreement, the termination shall not affect your obligations under this Agreement for any electronic transactions made prior to termination.

13. GOVERNING LAW — This Agreement is governed by the bylaws of the Credit Union, federal laws and regulations, the laws and regulations of the state of North Carolina, and local clearinghouse rules, as amended from time to time. Any disputes regarding this Agreement shall be subject to the jurisdiction of the court of the county in which the Credit Union is located.

14. ENFORCEMENT — You are liable to us for any losses, costs or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any postjudgment collection actions.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. Health Savings Plan, Money Market, and Individual Retirement accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Health Savings Plan, Money Market, and Individual Retirement accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. Simple+ Checking accounts are tiered rate accounts. Please refer to section 2 for additional details about Simple+ Checking accounts.

2. SIMPLE+ CHECKING — The Simple+ Checking account is a tiered rate account. If you meet the minimum qualification requirements during the monthly qualification cycle, the first dividend rate and annual percentage yield listed in the Rate Schedule will apply if your balance is between \$100.00 and \$20,000.00. If you meet the minimum qualification requirements during the monthly qualification cycle and your account balance is \$20,000.01 or greater, the first dividend rate and annual percentage yield will apply to the first \$20,000.00 in your account, and the second dividend rate and annual percentage yield will apply to the portion of your account balance that is over \$20,000.00. Each dividend rate will apply only to that portion of the account balance within each balance range. In addition, if you meet the minimum qualification requirements during the monthly qualification cycle, we will refund up to \$15.00 in ATM fees assessed at nationwide ATMs we do not own or operate. To meet the minimum qualification requirements, you must: 1) make 15 debit card purchases that post and settle your account; 2) be enrolled to receive e-statements; and 3) have one direct deposit of \$100.00 or more settle your account. The monthly qualification cycle is defined as a

calendar month. If your account balance is \$100.00 or greater but you do not meet all of the minimum qualification requirements during the monthly qualification cycle, the third dividend rate and annual percentage yield as listed in the Rate Schedule will apply to the entire balance in your Simple+ Checking account and ATM fees will not be refunded to you.

3. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

4. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

5. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Christmas Club and Vacation Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

6. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Regular Share, Christmas Club, Vacation Club, AI Pacu Club Savings, Personal Select, Health Savings Plan, Money Market, Individual Retirement, and Simple+ Checking accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day. For AI PACU Club Savings accounts, once you reach the age of 18, your account will automatically convert to a Regular

Share account. For PACU Student Checking accounts, once you reach the age of 18, your account will automatically convert to a More Checking account.

7. ACCOUNT LIMITATIONS — For Christmas Club accounts, the entire balance will be transferred to another account of yours on or after October 1 and the account will remain open. If you withdraw from your Christmas Club account, you will be charged a fee as disclosed in the Schedule of Fees and Charges. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Vacation Club accounts, the entire balance will be transferred to another account of yours on or after April 1 and the account will remain open. If you withdraw from your Vacation Club account, you will be charged a fee as disclosed in the Schedule of Fees and Charges. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Regular Share, AI Pacu Club Savings, Personal Select, Health Savings Plan, Money Market, Individual Retirement, Simple+ Checking, More Checking, and PACU Student Checking accounts, no account limitations apply.

8. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types

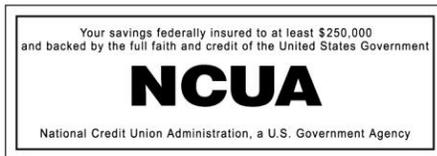

of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

9. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

Par Value of One Share	\$5.00
Number of Shares Required	1

10. RATES — The rates provided in or with the Rate Schedule are accurate as of the effective date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate information on your accounts, please call the Credit Union.

²Current dividend rates and annual percentage yields for checking accounts are stated in PACU's Truth-In-Savings Disclosure ("TISD"). Simple+ Checking is a tiered rate checking account. Minimum account balance of \$100 required to earn the dividends and annual percentage yields stated in the TISD. If minimum qualification requirements are met during a monthly qualification cycle, the first dividend rate and annual percentage yield stated in the TISD will apply up to the first \$20,000 of your account balance, and the second dividend rate and annual percentage yield listed in the TISD will apply to any remainder of your account balance. To meet minimum qualification requirements for a monthly qualification cycle, you must: 1) make 15 debit card purchases that post and settle your account; 2) be enrolled to receive e-statements; and 3) have one direct deposit of \$100 or more settled to your account. The monthly qualification cycle is defined as a calendar month. If minimum balance requirements are met but you do not meet all of the minimum qualification requirements during a monthly qualification cycle, the third dividend rate and annual percentage yield listed in the TISD will apply to your entire account balance.

As of February 16, 2026, the TISD states the following annual percentage yields for Simple+ Checking: First annual percentage yield, 1.75%; second annual percentage yield, 0.05%; and third annual percentage yield, 0.05%. ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend

rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. The fixed dividend rate and annual percentage yield for the renewal term will be the prevailing rate being paid on credit union accounts of the same type and term as of the maturity date, which will

also be the first day of the renewal term. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

2. DIVIDEND PERIOD — For each account, the dividend period is the account's term. The dividend period

begins on the first day of the term and ends on the maturity date.

3. DIVIDEND COMPOUNDING AND CREDITING —

The compounding and crediting frequency of dividends are stated in the Rate Schedule. For Share Certificate, IRA Certificates, and Special Limited Term Certificate accounts, at your option, you may choose to have dividends credited to your certificate account or transferred to another account of yours. If you elect to have dividends transferred to another account, compounding will not apply.

4. BALANCE INFORMATION —

To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, dividends are calculated by the daily balance which applies a daily periodic rate to the principal in the account each day.

5. ACCRUAL OF DIVIDENDS —

For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

6. TRANSACTION LIMITATIONS —

For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. After your account is opened, you may make withdrawals subject to the early withdrawal penalties stated below. After your account is opened, you may make withdrawals of principal subject to the early withdrawal penalties stated below. Withdrawals of dividends are not subject to penalty.

7. MATURITY —

Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.

8. EARLY WITHDRAWAL PENALTY —

We may impose a penalty if you withdraw funds from your account before the maturity date.

a. Amount of Penalty.

For Share Certificate, IRA Certificate, and Special Limited Term Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of 12 months or less	90 days' dividends
Terms of greater than 12 months	180 days' dividends

For Save to Win Certificate accounts, the amount of the early withdrawal penalty for your account is \$25.00 for the first withdrawal. More than one (1) withdrawal within any twelve (12) month period will result in the disqualification of the participating member's qualifying certificate account from consideration for subsequent prizes and the participating member's forfeiture of any and all entries for monthly, quarterly, and annual prizes and will result in the closure of the Qualifying Certificate Account. Once a Qualifying Certificate Account of an account holder has been closed, there will be a 6 month waiting period before that account holder can open a new Qualifying Certificate Account.

b. How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.

c. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
- (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.

9. RENEWAL POLICY — The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you have a grace period of seven (7) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. For Limited Term Share Certificates which automatically renew: (i) after the initial term the certificate account will renew as a regular share certificate with the next longest term being offered by the credit union at that time, and (ii) the fixed dividend rate and annual percentage yield for the renewal term will be

the prevailing rate being paid on share certificates with the same term as the renewal term for your account.

10. NONTRANSFERABLE/NONNEGOTIABLE — Your account is nontransferable and nonnegotiable.

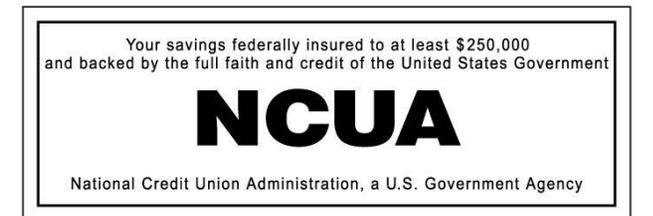

11. BONUS — For Save to Win Certificate accounts, you may be eligible for cash prize drawings on monthly deposits of \$25.00 or more to your account.

At the end of each month, you will receive one entry for every \$25.00 increase in the balance of your Save to Win Certificate account during the month, with a maximum of 100 entries per month, 300 entries per quarter and 1200 entries per calendar year. The Savings Promotion Raffle begins on January 1 and ends on December 31, however all Save to Win Certificate accounts will mature 12 months after account opening.

Please refer to the "Save to Win Savings Promotion Raffle Official Account and Prize Entry Rules" for information on the frequency of drawings and dollar amount of cash prizes.

12. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

OVERDRAFT ADVANTAGE SERVICE POLICY

Piedmont Advantage Credit Union (“we, us, or our”) offers the Overdraft Advantage service (“Overdraft Advantage”). If your account qualifies for Overdraft Advantage, we will consider, without obligation on our part, paying items for which your account has insufficient or unavailable funds, instead of automatically returning those items unpaid. This document explains how Overdraft Advantage operates.

Transactions that May Qualify for Overdraft Advantage

An overdraft occurs when you do not have enough money in your account to cover a transaction. Although there are many reasons why your account might become overdrawn, most overdrafts result from the following:

- a) You write a check, swipe your debit card or initiate an electronic funds transfer in an amount that exceeds the amount of funds available in your account;
- b) You deposit a check or other item into your account and the item is returned unpaid, which causes a negative balance in your account once your balance is reduced by the amount of the returned check;
- c) You have inadequate funds in your account when we assess a fee or service charge; or
- d) You initiate a transaction before funds deposited into your account are "available" or "finally paid" according to our Funds Availability Policy. For example, if you deposit a check into your account, the full proceeds of that check may not be available to you for two or more business days after you deposit the check. If you do not have sufficient funds in your account—independent of the check—to cover the transaction, you will incur an overdraft.

Overdraft Advantage applies to a variety of transactions, including checks and other transactions made using your checking account number, automatic bill payments, ATM transactions and everyday debit card transactions; however, we will not include ATM and everyday debit card transactions within Overdraft Advantage without first receiving your affirmative consent to do so. Absent your affirmative consent, ATM and everyday debit card transactions generally will not be paid under Overdraft Advantage.

Participation in Overdraft Advantage is not mandatory. You may opt-out of the service any time by notifying one of our service representatives. Furthermore, you may revoke your affirmative consent to have ATM and everyday debit card transactions considered for payment under Overdraft Advantage without removing other items from the service. Simply inform us of your preference.

As noted above, we retain full discretion to decline to pay any item under the Overdraft Advantage program. The means we can refuse to pay any overdraft for any reason. Even if we decide to pay an overdraft item, absent an agreement to the contrary, such payment does not create any duty to pay future overdrafts. If we do not authorize and pay an overdraft, your transaction will be declined and we may assess NSF fees on your account in accordance with your account agreement and the fee schedule in effect

at the time of the overdraft.

Fees

For each overdraft item, we will charge the standard per item Overdraft/NSF Fee set forth in our fee schedule (currently \$32). In addition, under our standard overdraft practices:

- There is no limit on the total fees we can charge you for overdrawing your account.
- The Credit Union does not charge a checking account participating in the Advantage program an Overdraft/NSF Fee for transactions that overdraw an account by an amount of \$5.00 or less.

We will notify you by mail if we pay or return any insufficient or unavailable funds items on your account; however, we have no obligation to notify you before we pay or return any item. The amount of any overdrafts – including our fees – is immediately due and payable. Also, please note that if we return an item NSF it will likely be automatically re-presented by the financial institution the item was drawn on and potentially could result in an additional per item Overdraft/NSF Fee when re-presented if the amount of the item still exceeds the amount of available funds in your account.

Accounts Eligible for Overdraft Advantage

Overdraft Advantage is a discretionary service and is generally limited to a \$800 overdraft (negative) balance for eligible personal checking accounts; or a \$1,500 overdraft (negative) balance for eligible business checking accounts. Please note that per item Overdraft/NSF Item Fees count toward your Overdraft Advantage limit. We may in our sole discretion limit the number of accounts eligible for Overdraft Advantage to one account per household or per taxpayer identification number. Further, Overdraft Advantage is usually extended only to accounts in good standing. An account in good standing exhibits, but is not limited to, the following characteristics:

- a) The account has deposits totaling at least \$400 or more within each thirty (30) day period;
- b) The account demonstrates consistent deposit activity;
- c) The account owner is current on all loan obligations to us; and
- d) The account is not subject to any legal or administrative order or levy, such as bankruptcy or tax lien.

We offer other overdraft protection services in addition to Overdraft Advantage such as a link to another account or line of credit of yours with us. If you apply and are approved for this optional service, you may save money on the total fees you pay us for overdraft protection services.

Overdrafts should not be used to pay ordinary or routine expenses and you should not rely on overdrafts as a means to cover these expenses. If at any time you feel you need help with your financial obligations, please contact us at **800-433-7228** to discuss your options or speak with one of our member service representatives at your local branch office.

**Piedmont Advantage Credit Union
Save to Win® Savings Promotion Raffle
OFFICIAL ACCOUNT AND PRIZE ENTRY RULES**

The **Piedmont Advantage Credit Union** ("Credit Union") Save to Win® Savings Promotion Raffle ("Raffle") begins on January 1 and ends December 31 of the current year ("Raffle Period"). The following Official Account and Prize Entry Rules ("Official Rules") apply to all Raffle participants for all applicable Prize Drawings which include Central Prize Drawings and any applicable Credit Union Prize Drawings.

Who May Enter: The Raffle is open to all natural persons who, at the time of entry (a) are Credit Union members, (b) at least 18 years of age, (c) are residents of a state in which Prize Linked Savings is permitted, and (d) who maintain a regular share account in good standing with the Credit Union ("Eligible Members"). Where permissible under applicable state law a Trust may also be considered an Eligible Member for purposes of the Raffle. Officers, directors and employees of the participating Credit Union and/or their immediate family members (spouse; child), and/or other persons residing in the same household as such individuals are not eligible to participate in the Raffle. Some states may impose other eligibility requirements. Where applicable state law imposes other eligibility requirements, those eligibility requirements will control. Entries received from persons who do not meet the requirements of an Eligible Member will not be included in the Raffle.

Qualifying Save To Win Account: The Credit Union will establish a Qualifying Save To Win Account ("Qualifying Account"). A Qualifying Account may be either a share savings, share certificate or certificate of deposit depending on the account structure and offerings of the Credit Union, as determined by the Credit Union in its sole discretion. You are limited to having only one Qualifying Save to Win Account at each participating credit union. Rates and other terms and conditions of a Qualifying Account may vary among participating credit unions. Please refer to your credit union's account disclosures for other account details, any account limitations, and/or applicable fees. For Washington residents only, Eligible Qualifying Share Accounts are those that are opened in a branch, by mail, by phone or by remote registration.

How to Enter: To participate in the Raffle, Eligible Members must open a Qualifying Save To Win Account with the participating Credit Union during the Raffle Period ("Participating Member"). Refer to your Credit Union's account disclosures for any account details, account limitations and/or applicable fees.

How Raffle Entries work: Each Participating Member will receive Raffle entries automatically based upon the following:

- One (1) entry for every \$25 increase in the monthly balance of the Qualifying Save To Win account at month's end.
- A maximum of one hundred (100) entries per month for each monthly Prize Drawing.
- A maximum of three hundred (300) entries for each quarterly Prize Drawing.
- A maximum of twelve hundred (1200) entries for each annual Prize Drawing (if applicable).

Automatic entries will be recorded by the Credit Union once the balance is calculated at month-end processing. Entries are calculated based on a month-over-month balance increase on the Save to Win member record, as reported by the credit union in the monthly data file each month. This means there must be an increase of at least \$25 in the reported ending balance of the current month when compared to the reported ending balance of the previous month. If a Qualifying Account is closed and a new Qualifying Account is opened for any reason during the month, the month-end balance reported by the credit union in the previous month's data file will be used as the starting balance for the current month to calculate the month-over-month balance increase, which constitutes entries for the current month. If you qualify to open an account at different participating credit unions, you may open a Save To Win account at each credit union, however, you are limited to having only one Qualifying Save to Win Account at each participating credit union. You will earn entries at each institution independent of the other and subject to each individual credit union's rules, regulations and discretion. Qualifying deposits must be received and posted by the Credit Union by midnight Eastern Time on the last day of each month. Automatic entries are eligible to win only during the Drawing Period in which they were submitted. For the purposes of these Official Rules, the Drawing Period shall be defined as the last day of each month for any applicable monthly drawings, the last day of each quarter for any applicable quarterly drawings, and the last day of each calendar year for any applicable annual drawings ("Drawing Period"). Other than making deposits as described in these Official Rules, no other action, and no other purchase or other consideration is required for an entry into a prize drawing.

Prize Drawings:

- **Central Prize Drawings:** National and/or State-Wide Drawings (where applicable) will be conducted monthly, quarterly and/or annually during the Raffle Period, administered by CUSG.
- **Credit Union Prize Drawings:** In addition to the Central Prize Drawings, the Credit Union will conduct its own monthly, quarterly and annual prize drawings.

Prizes: All cash prizes from the Central Prize Drawings and cash prizes from the Credit Union Prize Drawings, if applicable, will be deposited into the winning Participating Member's traditional share account or their qualified Save To Win Account, based on member's preference. All Central Prize Drawing winning Participating Members and winners from the Credit Union Prize Drawings, if applicable, will be selected from among all Participating Members in the Raffle Drawings. Central Prize Drawings will be conducted within fourteen (14) days of the conclusion of the previous month/quarter. Central Annual Prize Drawings will be conducted within thirty (30) days of the conclusion of the previous year. Winning Participating Members will be notified via telephone, email, or standard U.S.P.S. mail. Prizes are non-transferrable. Participating Members need not be present at the drawing to win. The Credit Union will provide Participating Members winning prizes of \$600 or more for the given tax year with an IRS 1099 MISC form.

A Participating Member is limited to winning one Central prize per Drawing Period. A Participating Member is limited to winning one Credit Union prize per Drawing Period, if applicable. A Participating Member is eligible to win both a Central prize and a Credit Union prize in the same Drawing Period. If the Qualifying Account is owned by more than one individual, the primary member under whose taxpayer identification number earnings on the account would be reported to the Internal Revenue Service should such reporting be required for the account shall be deemed the Participating Member and only the Participating Member shall be eligible to win a prize. All Participating Members are responsible for notifying the Credit Union of an address change. All transactions constituting Raffle entries must occur within a state in which the Raffle is permitted. The Credit Union shall confirm the Participating Member's eligibility by verifying identity, age and certifying that all transactions constituting Raffle entries occurred to a Qualifying Account held by the Credit Union, before the Participating Member can receive any prize. If the Credit Union is unable to verify eligibility for any reason within three (3) business days of notification that the Participating Member is a winner, the Participating Member shall forfeit the prize involved and the prize will be awarded to the first alternate winner, which may be from a different participating credit union. If a Participating Member is not an Eligible Member, such Participating Member will continue to be the accountholder of the Qualifying Account, but deposits to the account will not constitute qualifying Raffle entries.

Odds: Actual odds of winning are based upon the number of eligible entries received. Each eligible entry shall have a chance of winning Central and that is equal to that of all other entries in each applicable Prize Drawing in the Raffle. Except for making deposits as described in these Official Rules, taking any other action, or purchasing any goods or services, will not increase the odds of winning.

Communications: The Credit Union or CU Solutions Group, Incorporated (CUSG), which conducts the Save to Win® raffle drawings, may periodically send the Participating Members raffle related communications electronically via email and/or text message, including messages using prerecorded/artificial voice messages or through the use of an automatic dialing device at any telephone number you provide to us in connection with the Raffle or your Qualifying Account. These communications may include, raffle drawing date reminders, number of entries earned, how to earn additional entries and other raffle related reminders. Participating Members may choose to opt out of these communications at any time.

Prize Administration and Research Study: Save to Win® entries and prize drawings are submitted to and conducted by CU Solutions Group, Incorporated (CUSG), an affiliate of the Michigan Credit Union League (MCUL), a non-profit credit union trade association. The Save to Win® program is part of an ongoing research project of CUSG and Commonwealth, a Delaware nonprofit corporation whose mission is to expand access to financial services for low and moderate income families, which entails the study of information about prize-linked savings programs and savings habits of consumers. To participate in the Raffle, the Participating Member's Taxpayer Identification Number is transmitted by the Credit Union via a secure data sharing process and then replaced with a new unique identifier by CUSG for Raffle and reporting purposes. The Participating Members' Taxpayer Identification Numbers are deleted from the file by CUSG as soon as it is securely encrypted and are not stored on any third-party system or accessible by third party administrators. Information provided to CUSG by participating credit unions for Participating Members under the Save to Win® program (excluding accountholder's Taxpayer Identification Numbers, names and addresses, but including each Participating Member's state of residency and zip code) will be shared with Commonwealth for research purposes. Such information will not be shared with any other entity or used for any other purpose, unless an individual Participating Member has authorized disclosure of such information in writing to Commonwealth and any third parties, and only to extent of such authorization.

Decisions: By entering the Raffle, Participating Members agree to abide by and be bound by these Official Rules, as may be amended from time to time, and to accept the decisions of CUSG and the Credit Union as final. **Save to Win® 12-Month Certificate Account
Truth-In-Savings Disclosure
Effective date: 1/17/2024**

Save to Win Share Certificate: Each Save to Win® Certificate requires an initial deposit of \$25.00, and account holders may make additional deposits into that certificate throughout its term. The initial deposit and all subsequent deposits mature 12 months after the date that the initial deposit is made.

Interest/Dividend Rate: 2.225% with an Annual Percentage Yield (APY) of 2.25%.

Rate Information: The APY is a percentage rate that reflects the total amount of interest/dividends to be paid on an account based on the rate and frequency of compounding for an annual period. For all accounts, the interest/dividend rate and APY are fixed and will be in effect for the initial term of the accounts. For accounts subject to interest/dividends, compounding the APY assumes that interest will remain on deposit until maturity. Interest/Dividends will not be paid if the account is closed at any time prior to maturity. Withdrawals will reduce earnings.

Compounding and Crediting: Interest/Dividends on the 12-Month Save to Win® Certificate will be compounded and credited monthly.

Minimum Balance Requirements: The minimum balance requirement for the Certificate is \$25.00, and account holders must maintain a regular share account with a minimum balance of \$5.00.

Balance Computation Method: Interest/Dividends is/are calculated by the daily balance method, which applies a daily periodic rate to the balance in the account each day.

Accrual of Interest: Interest/Dividends will begin to accrue on non-cash deposits (e.g., checks) on the business day you make the deposit to your account.

Early Withdrawal & Penalty: During the term of the Save to Win® Certificate, accountholders will be allowed to make one withdrawal from the account with a \$25.00 penalty to be assessed at the time of withdrawal. If the early withdrawal reduces the principal below the minimum balance or a second withdrawal is performed in the 12-month term, the Certificate will be closed. The credit union will deduct from the principal amount to cover the penalty.

Exceptions to Early Withdrawal Penalties: At our option, we may pay the account before maturity without imposing an early withdrawal penalty when an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.

Transaction Limitations: Additional deposits are allowed during the term of this Certificate. For every \$25.00 increase in month over month balance, the account holder will earn one entry (up to 100 entries per month/300 entries per quarter/1200 entries per year) into the Save to Win® Savings Promotion Raffle. The Savings Promotion Raffle begins on January 1 of the current year and ends on December 31 of the current year, however, Certificates will mature 12 months after account opening. The Official Rules for the Savings Promotion Raffle can be found online at www.savetowin.org and are provided upon opening the Certificate.

Renewal Policy: This Certificate will automatically renew at maturity if the balance in the Save to Win Certificate is greater than \$25.00. The Certificate will renew as a 12-month Save to Win® Certificate, with the APY being the credit union's then-current APY for new 12-month Save to Win® Certificates. If the balance in the Certificate is less than \$25.00 or account holders choose not to renew the Certificate, the funds will be transferred to the account holder's regular share account at the credit union. You will receive a notice from the credit union 30 days prior to your Certificate's maturity. You will have a seven (7) day grace period after maturity to withdraw funds without being charged an early withdrawal penalty.

- More Checking or Simple+ Checking
- Recurring direct deposits totaling at least \$250 into your PACU checking or savings account in the previous calendar month
- eStatements

What to Expect

Here's what you can expect as a Loyalty Rewards member:

- **Built-In Savings.** Your 0.25% APR* discount is automatically applied when you apply for an eligible new loan.
- **Not Just a One-Time Reward.** You can use this discount on multiple loans as long as you maintain your Loyalty Rewards membership.
- **Stack Your Savings.** Financing a car? Get an extra 0.25% APR* discount when you enroll in automatic loan payments.

What Loans Are Eligible

The Loyalty Rewards Program applies to the following secured loans:

- Auto
- Aircraft
- Boat
- RV
- Motorcycle
- General-Purpose Vehicle

*APR= Annual Percentage Rate. APR offered can vary based on loan product type, creditworthiness, age and condition of collateral, term of the loan, and participation in automatic payments. All loans are subject to credit approval. Loyalty Reward rate discount, rates, terms and conditions are subject to change without notice. This program may be modified or discontinued at any time at our discretion.

Effective May 1, 2025, Loyalty Reward rate discount of 0.25% APR off of published PACU loan rates for eligible loans is available for PACU members who: 1) have been members for five or more years, 2) have a More Checking or Simple+ Checking account, 3) are enrolled in eStatements, and 4) have had recurring direct deposits totaling at least \$250 into their PACU checking or savings account in the previous calendar month. For loans with co-applicants, the primary borrower on the loan application must meet all eligibility requirements for Loyalty Reward rate discount to apply.

The only loan types eligible for the Loyalty Reward rate discount are auto, general purpose vehicle, aircraft, boat, RV and motorcycle loans. Normal lending criteria apply. To be eligible for the Loyalty Reward rate discount, loan proceeds may not be used to refinance an existing Piedmont Advantage loan secured by the same collateral. Loyalty Reward rate discount can be applied to multiple eligible loans. Loyalty Reward rate discount can be combined with the 0.25% APR rate discount for enrollment in automatic payments for auto loans, but cannot be combined with any other rate discount or promotional offer.
